

You will see from your pet's health that TLC is the right choice:

- Healthier, shinier coat
- Strong muscles
- Antioxidants to protect against disease
- Strong bones and teeth
- Optimal digestion
- Less stool volume
- Clear, bright eyes
- Happier healthier pet
- Natural protection against allergic reactions and inflammation

Whole Life Natural PET PRODUCTS FOR ALL LIFE STAGES

Naturally the Best!™

TLC Whole Life Natural Pet Food provides wholesome and natural lifelong nutrition to help your dog and cat thrive. Each ingredient in TLC Whole Life is carefully selected for its nutritional and health benefits. The formulated balance of Vitamins and Minerals in Whole Life Natural Pet Food ensures proper energy metabolism, promoting good health and daily maintenance, developing strong bones and teeth, developing and maintaining good vision, and nourishing the vital organs. The unique blend of carbohydrates also helps maintain good intestinal health, and helps to build and support your pet's natural immune system.

Naturally wholesome ingredients:
Glucosamine and Chondroitin
Probiotics and Prebiotics
Omega 3 and 6
Natural Herbs
Salmon Oil
